SUBJECT: Dishonored Check Penalty Provisions

EFFECTIVE DATE: July 1, 2008

REFERENCES: IC 6-8.1-10-5 and HEA 1125-2008 SECTION 33

HEA 1125-2008 amended IC 6-8.1-10-5 to expand the dishonored check provision to include payments made by credit cards, debit cards, or electronic funds transfer. The amendment provides that if a taxpayer makes a payment by credit card, debit card, or electronic funds transfer, and the Department is unable to obtain payment on the credit card, debit card, or electronic funds transfer for its full face amount when the payment is presented through normal banking channels, a penalty of 10 percent is imposed based on the unpaid tax or value of the instrument, whichever is smaller.

When the 10 percent penalty is imposed, the Department shall notify the taxpayer by mail that the instrument was not honored and that the taxpayer has 10 days after the date the notice is mailed to pay the tax and penalty by cash, certified check, or other guaranteed payment. If the taxpayer fails to make the payment within the 10 day period, the penalty is increased to 100 percent multiplied by the face value of the check, credit card, debit card, or electronic funds transfer.

If the taxpayer can show reasonable cause for the check, credit card, debit card, or electronic funds transfer not being honored, the Department may waive the penalty.
